# IN MEMORY OF DR. JOHN F. GATES

DR. JOHN F. GATES  
1915 - 1982

- <sup>1</sup> O Lord, You have searched me  
and you know me.
- <sup>2</sup> You know when I sit and when I  
rise;  
you perceive my thoughts from  
afar.
- <sup>3</sup> You discern my going out and my  
lying down;  
you are familiar with all my ways.
- <sup>4</sup> Before a word is on my tongue  
you know it completely, O Lord.
- <sup>5</sup> You hem me in, behind and before;  
you have laid your hand upon me.
- <sup>6</sup> Such knowledge is too wonderful for  
me.  
too lofty for me to attain.
- <sup>7</sup> Where can I go from your Spirit?  
Where can I flee from your  
presence?
- <sup>8</sup> If I go up to the heavens, you are  
there;  
if I make my bed in the depths,  
you are there.

- <sup>9</sup> If I rise on the wings of the dawn,  
if I settle on the far side of the sea,
- <sup>10</sup> even there your hand will guide me,  
your right hand will hold me fast.
- <sup>11</sup> If I say, "Surely the darkness will hide  
me  
and the light become night around  
me,"
- <sup>12</sup> even the darkness will not be dark to  
you;  
the night will shine like the day,  
for darkness is as light to you.
- <sup>13</sup> For you created my inmost being;  
you knit me together in my mother's womb.
- <sup>14</sup> I praise you because I am fearfully and  
wonderfully made;  
your works are wonderful,  
I know that full well.
- <sup>15</sup> My frame was not hidden from you  
when I was made in the secret  
place.  
When I was woven together in the  
depths of the earth,
- <sup>16</sup> your eyes saw my unformed body.  
All the days ordained for me  
were written in your book  
before one of them came to be.
- <sup>17</sup> How precious to me are your  
thoughts, O God!  
How vast is the sum of them!
- <sup>18</sup> Were I to count them,  
they would outnumber the grains of  
sand.  
When I awake,  
I am still with you.
- <sup>19</sup> If only you would slay the wicked, O  
God!  
Away from me, you bloodthirsty  
men!
- <sup>20</sup> They speak of you with evil intent;  
your adversaries misuse your name.
- <sup>21</sup> Do I not hate those who hate you, O  
Lord,  
and abhor those who rise up against  
you?
- <sup>22</sup> I have nothing but hatred for them;  
I count them my enemies.
- <sup>23</sup> Search me, O God, and know my  
heart;  
test me and know my anxious  
thoughts.
- <sup>24</sup> See if there is any offensive way in  
me,  
and lead me in the way everlasting.

PRANKSTER

FRIEND

The late Dr. Gates came to the faculty of the college for the fall semester 1960. For the next sixteen years he faithfully integrated religion and philosophy. His keen mind and fervent spirit coupled with good humor left an eternal imprint on students and faculty alike. His courage and stamina in spite of life-long physical limitations brought glory and honor to the Lord Jesus Christ. He lives on in the lives of those who knew him and in the books and articles he authored.

PREACHER

PROFESSOR

"Philosophy borders on religion. There is no point at which one can say, 'Here philosophy ends; there religion begins.' Christ is the righteousness of God—He is the wisdom of God—philosophy."

Dear Class of 1983,

The 1982-83 year has been one crowned with the blessing of the Lord. I praise God for His goodness upon SPBC this past year!

The Class of 1983 is so special in so many ways, and you will be deeply missed on campus. Your love for the Savior and your commitment to His Service are a wonderful tribute and testimony to your Christian maturity.

I am confident that you will adorn the Gospel in the years to come, and be mightily used of God throughout the world.

God bless you richly in all that you do. It was an honor to have had you at St. Paul Bible College.

In His Service,

In the opening days of the 1982-83 school year, the Administration announced the establishment of the "Lifestyle Statement", which replaced the infamous "Movie Rule". Simply stated, the Lifestyle Statement places the responsibility for all forms of entertainment on the student for his discretion.

It is good to see the Administration allowing the students to make their own decisions on something as basic as leisure time activities. This proves that at St. Paul Bible College, we're here for more than just expanding our intellect, but the entire mind as well.

The teamwork of Sue Molstad and Julie Rollins has seen a year of much change. The change has mainly been providing a means of health prevention rather than health maintenance. Humorous incidents kept the nurse's in stitches! Some of the incidents include rescuing a frozen finger stuck to a refrigerator, finding empty beds of sick students, or removing contacts from individuals who sought to change their eye color from brown to blue. All in all Sue and Julie have been a great team in changing what use to be a 'Dispensory' to a 'Health Service'. Thanks alot for your contribution to serving the students of SPBC.

# HISTORY AND SOCIAL SCIENCES

Joseph M. Tewinkel  
Chairperson

The History Department plays an important role in the education of a St. Paul Bible College student. No matter what major he pursues, he is required at least a taste of what the History Department has to offer (though often unwillingly—see any freshman Civ. class!). However, Mr. Tewinkel and Mr. Bedford attempt to make their Civ. classes (and their other classes as well) as academically stimulating as possible, while keeping their students' minds somewhere inside the classroom. This is usually accomplished with remarkable success.

Classes in the History Department span from studying ancient civilizations to studying current elections in Contemporary History to studying the foundations of the modern church in Church History.

## STEADFAST

Steadfast and Cornerstone traveled in behalf of St. Paul Bible College for the summer. The groups presented a concert of gospel music including hymn arrangements, contemporary gospel songs, and instrumentals. All music was selected and presented with the goal to praise the name of Jesus. They also gave testimonies as well as a challenge from God's Word.

The groups started their summer tours on Sunday, May 15. Between both groups, they will have ministered in 15 different states, at 6 summer camps and the LIFE 83 convention during the summer.

## HIS WORKMANSHIP

"For we are His Workmanship, created in Christ Jesus for good works, which God prepared beforehand, that we should walk in them."

Before we knew it the year was over, along with the ministry of "His Workmanship". Throughout the year our emphasis was the power of the name of Jesus and the ministry of healing, contained in that name. Many lives were touched through the ministry of His Workmanship including the members within the group. They produced growth wrapped in memories, joys and hardships. Yet the final result was a fruitful ministry of nine members pulling together to present a message of healing.

# ACTIVITIES

The fear of the Lord is a  
fountain of life. . . 14:27

"Wow!" "What happened?!" "This is classy!" These are just a few of the reactions heard among the students, faculty, and administration as they entered the newly renovated front lobby.

The lobby was only one of the major transformations which took place while most of us were home for summer break. The back parking lot and first floor Main dorms underwent drastic surgery. The front offices and the development area were repaired and recarpeted. New carpet was also installed in the first floor Richardson. More Genesis Project lighting was added in and around the back parking lot.

The goal of President Eagen and the maintenance crew is to put the best quality items into our campus as is possible. Dave Grandy, superintendent of buildings and grounds, says that they want to "spend the money wisely and do the best" they can without overspending.

The physical appearance of our campus is yet another example of the standard of excellence we choose to uphold.

## NEW STUDENT DAYS

In April of 1982 a team of 12 students - whose class status ranged from Sophomore to Senior - met to plan New Student Days at St. Paul Bible College. These plans would take effect four months later in August.

Much time, thought and preparation goes into the formation of the week. Schedules are planned, times are set and services arranged before the Summer season arrives.

The NSDC reconvened on August 17, 1982. The committee proved ready for action when the students began arriving the next day. Each new student was shown his home for the next nine months and given a program for the week. New Student Days began officially that evening in the chapel.

Throughout the week the new students learned how things function at Bible College. A tour of the school was given which aided in answering any questions the students had.

Probably the most beneficial time for the new students was chapel services with Dr. Eagen. The President formed his talks on the theme of the week, 'We've only just begun'.

The week ended too soon for some and not soon enough for others. Soon everyone was settled into routine campus life.

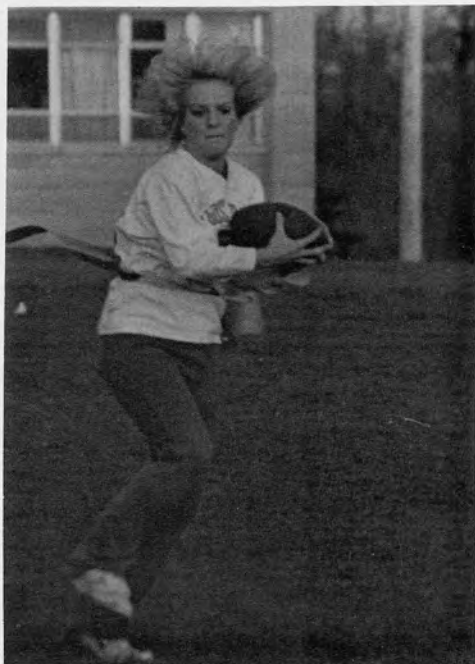

Though the Intramural season got off to a slow start, it proved to be very successful. It was a year during which more students became involved than ever before. The Intramural Committee, Tom Morscheck, Janis Runka, Ed Long and Dave Watt, got the program rolling with flag football for both men and women. Once started the activities continued throughout the year until just one week before graduation. The most popular activity was co-ed volleyball which enlisted over 150 participants. For those who did not care to hit the courts there was a bowling tournament as well as chess, table-tennis, foosball and pool.

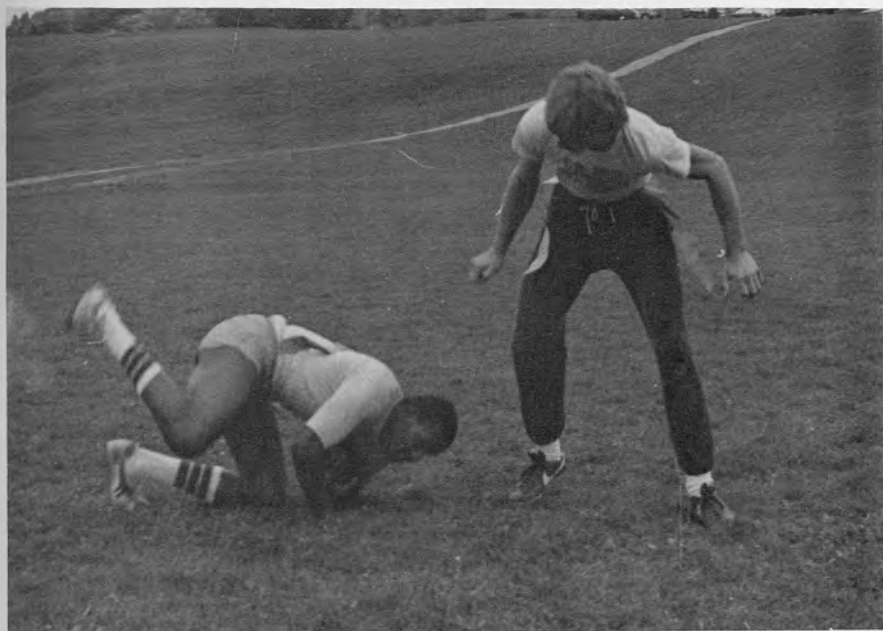

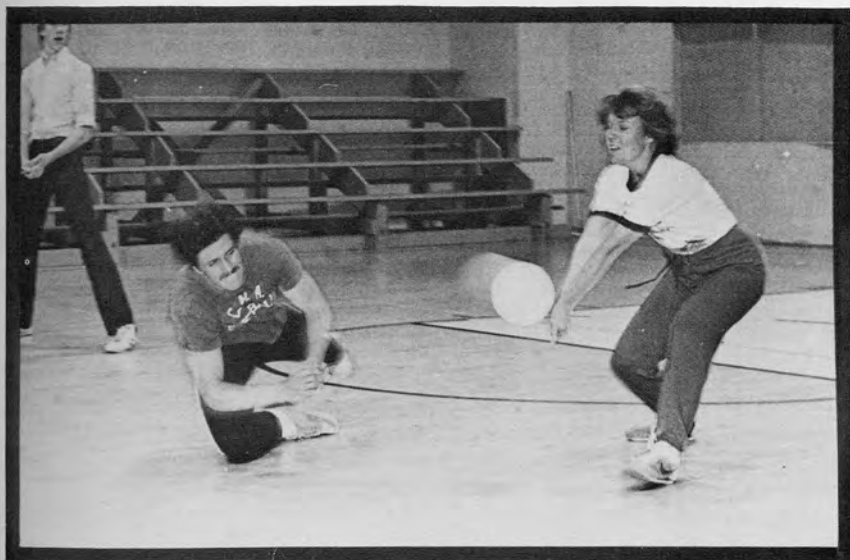

With the arrival of the spring semester came the long-anticipated basketball season. For the men basketball lasted through the semester. The women had the opportunity to attempt something new on campus. Pillo-Polo! It turned out to be a fun change of pace, good exercise and a chance to vent some frustrations. Intramurals proved to be a good opportunity to take a study break for both the participants and the spectators. Though there were no professional scouts to be found there was always a lot of fun, entertaining action, fellowship and exercise!

Champion Teams: **Guy's Football**-Captain: Keith Swallow, Dwight Schussman, Gregg Valentine, Mark White, Kevin Haworth, Tim Stenlund, Kirk Daniell, Scott Renard and Bill Welch. **Girls Football**-Captain: Colleen McGinnis, Verna Edwards, Kathy Kock, Jenny McSorley, Lori Eberspacher, Kate Bilney and Ruth Vogelaar. **Volleyball**-Captain: Heather Carson, Darwin Bayer, Linda Brohmer, Michelle Gagnon, Rick Heron, Nate King, Randy Knowles, Sheri Trosen and Mark White. **Guy's Basketball**-Captain: Dave Watt, Ed Long, Rohn Peterson, Randy Burg, Keith Swallow, Tim Stenlund, Phil Arndt and Kurt Osmanson. **Girl's Basketball**-Captain: Janet Gunderson, Arlys Walter, Terrece Clarke, Jenny McSorley, Sheri Henrikson, Helen Gibbons, Barb Kaetzel, Astrid Thompson and Amy Ilgenfritz.

# HOMECOMING

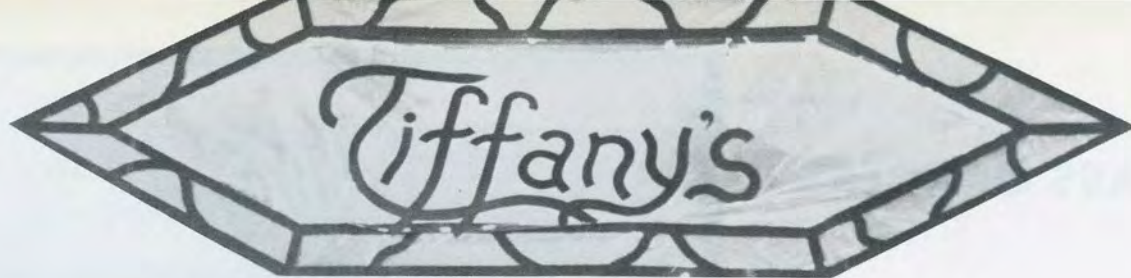

Homecoming 1982 not only brought alumni to SPBC but also a touch of New York. The theme of Homecoming was "Evening at Tiffany's of New York". The students delighted in the events of the week including dressing for a day of skiing in Zurich, a day in Paris, a day in Russia and a day at St. Paul Bible College.

The banquet committee did an extraordinary job as they put many, many hours into renovating SAGA cafeteria into Tiffany's. Tiffany's came through with the touches of red tablecloths, goblets, red curtains, cream colored napkins and 40 waiters and waitresses dressed in black and white. After a meal of steak and shrimp, Tiffany's guests were entertained by the delightful Mr. Bill Greenwood and a SPBC favorite, Mr. Dan Adler. Dan ended the evening in New York by favoring the guests with the appropriate: "New York, New York".

## SNOW DAYS

Not often is well-dressed Julie Gauvin spotted roaming the halls decked in clashing plaids and mismatched socks. Clash Day was a highlight of the annually held SNOW DAYS. SPBC T-Shirt and Jeans Day as well as Dress Up Day are popular among SPBC students.

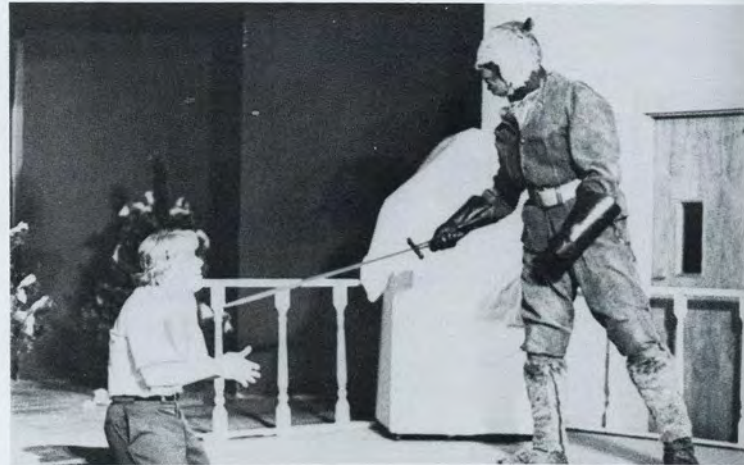

SNOW DAYS also consisted of tube races and snow sculptures (Mega Food). The week was full of activity for everyone who wanted to participate. The women attacked the volleyball courts and the men risked life and limb playing the infamous speedball.

By the time February rolls around, few people care to celebrate the presence of snow. SNOW DAYS is an excellent means of breaking the monotony of long Minnesota winters.

# The Lion, The Witch, and The Wardrobe

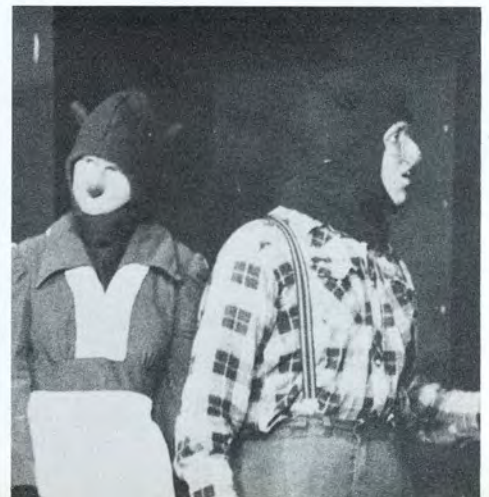

Hard work! Excitement! Patience (and the lack of it)! Forgiveness! Lights! Prayer! Blocking! Costumes! Late nights! Prayer! Love! Understanding! Missed meals! Prompting! Make-up! Changed lives! Lines! Sound! Cues! Back-stage! Audiences! Good friends! Sets! Commitment! Paint! Tryouts! Trees! Glue! Props! Opening night! Prayer! Rehearsals! Strike! Cast party! and much, much more.

All this prompts vivid memories of the time when *Narnia* came to SPBC. For us all, faith was stretched, relationships were deepened and our lives were changed as the mystique of the theatre, sanctified and put to God's use, transformed Room "G" into a land of talking animals, evil witches, magic, kingly Lions, courage and great battles. To St. Paul Bible College, the Communications Department, to many wonderful audiences, and to ALL who helped in any way, in behalf of the cast and crew of *The Lion, the Witch and the Wardrobe*. I can only say thank you. Thank you!!!!

# S E N A T E

This year's Senate worked hard at providing activities and additions for the students. The SPBC Cinema was expanded by the addition of a professional cinema popcorn popper and featured 8 films. Students enjoyed everything from the long known and enjoyed "Arsenic and Old Lace" to the way out "Star Wars".

Senate also provided a most beautiful Christmas tree with all the extras of lights, socks, bulbs and candy canes. Besides that they provided buses to the Jesus People Church to see "Gospel According to Scrooge" and for Christmas carolling in the community.

Valentine's Day was a fun one for many as they enjoyed the computer dating system. With the opportunity to go to the SPBC Cinema with the best one on their list!

Then came Spring Banquet with the annual trip to Chanhassen and the featured play "Hello Dolly". Thanks Senate for a good year!!!

This summer 21 students from St. Paul Bible College will put their skills to work throughout the world as part of the Alliance Youth Corps. AYC'ers participate in teaching, preaching, sharing of testimonies, singing, and assisting the missionaries in typing, construction, and general assistance.

Under the direction of Mary Decker and Paul Haenze, former AYC'ers, the new recruits experienced many weeks of orientation. Included in orientation were physical examinations, vaccinations, instruction on photography, cross cultural communications and relationships, fundraising, "do's and don'ts" and outfit lists. Mary and Paul were careful to stress the importance of a personal devotional time and its effects on their lives and ministry. Knowledge was gained by doing special assignments during the week and meeting with former AYC'ers and missionaries to discover details about the individual countries and their customs.

The orientation was climaxed as the group shared communion together and had elections for next year's co-representatives, Julie Bailey of Lincoln, NE and Jeff Olson of Anoka, MN.

Mary stated, "We couldn't have asked for a better group. We hated to see the school year end, but it'll be great to see them all when they get back." These students will share their missionary experiences with the student body when they return in August.

## DEEPER LIFE

### Rev. Charles Shepson

Spring Deeper Life Week brought us a challenge by Dr. Charles Shepson. The week brought a welcome relief from the studies of the semester and also brought a time of reflection on our spiritual lives. His theme of the week was "The Excitement of the Christian Life". The first night, Dr. Shepson spoke out of Exodus 6. He showed us the seven promises from God in verses 6-8. He concluded with these words, "Fix your eyes on God and not on His promises. Also don't sew God's bank book away and feed on the Devil's rolls." The next subject was the partings of the waters by God in the Scriptures. Do you remember the amount of times that that occurred? "How many times has God parted the waters for you?" After slides of Fairhaven, where Dr. Shepson and his wife run a haven of rest for those in the ministry, the talk turned to the valleys and how God is a God of the valleys as well as the God of the hills. "The Maker of the hills is the Lord of my valleys." Not only the students received a spiritual enlightenment but also his effect was felt by the staff and faculty.

## STALEY LECTURESHIP

### Dr. Howard Jones

Staley Lectureship this year was to give us a blessing as Dr. Howard Jones came to be with us. Dr. Jones will be with us starting in the fall as an associate professor. He has been working with the Billy Graham Association and has traveled to several foreign countries. The main theme of the week centered around evangelism. Dr. Jones took the time to get involved with the students and their needs and discussed various methods of reaching people where they were at in life and community. As usual there were meetings that followed for the upper classmen to attend in the chapel where they were able to discuss in more detail the contents of the lectures. Dr. Jones set a very relaxed feeling in these times and met all questions with answers that were satisfying. He would also open the questions up for discussion before answering them himself. One memorable day was that day he discussed ways of overcoming depression in the Christian life.

Front: Leigh Delph, Patty Fuller, Vickie Murakami, Shelley Meyer, Suellen Grady and Pete Madsen.

## SOFTBALL

There are three ways of looking at this year's softball season. One could dwell on the depressing weather that caused 12 out of 22 games to be cancelled, or on all the dreary days during which the soggy Spring submerged the softball field into the swamp forcing the players to cramp themselves into the small, depressing gym where the routine drills seemed futile.

Or else, one could look for the bright side of the season. Among the team members, new friendships were developed and old ones strengthened. The women worked their bodies to the limit rigorously running stairs and batting their way out of the cage. When practice was finally held outside, skills such as sliding in the slippery soil, and catching cold were easily learned.

But most importantly, one could look at the importance of praising the Lord under all circumstances. Coach Amy Luesebrink says that when they 'seemed to be practicing for a fantasy game that would never come true, we jokingly thought that we would be the only team never to have a game. But the reviving sun pulled our spirits up and closer together as we strived to reach our highest potential in so few games.'

The Lady Crusaders ended the season being the first NICC conference softball champions with an overall record of seven wins/two losses. For this record and everything else learned this Spring, Praise The Lord!

# BASKETBALL

The 1982-83 version of the Crusaders' basketball team proved to be one of the best teams in the history of the school. They finished the year at 20-7, and won the first undisputed NICC conference championship ever with a 7-1 conference record. Their conference game included a sweep over North Central Bible College, the second victory coming with the conference title on the line. A full house witnessed the Crusaders come back to win. They also finished second in the NICC national tournament held at North Central, and placed runner-up in the All-Alliance Tournament played at Nyack, N.Y.

The starting line-up featured Pat Otte and Jeff Naegelen, who led the team in scoring; Hal Havisto and Guy Southwick, who carried the team's rebounding load; and Dave Rouse, who came into his own as director of the Crusaders' offensive attack with his quickness, ball handling abilities, and timely shooting. Brian Pearson and Bob Charles came off the bench at crucial points to contribute to the team effort. The team has a definite future, as well, as only Guy and Jeff graduated from the starting line-up.

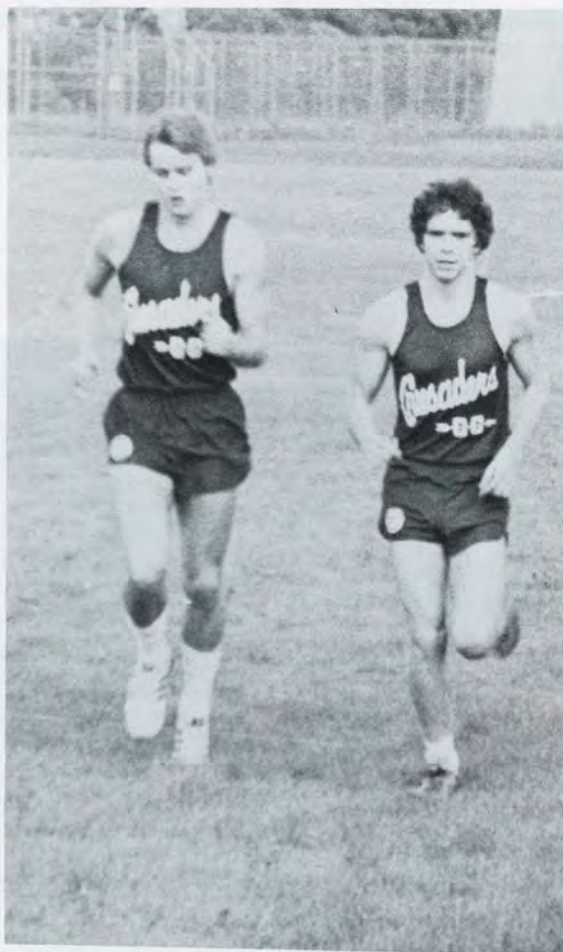

One of the high points of the season was the All-Alliance Tournament held in Nyack. The Crusaders proved that winning is not everything. They pulled together at a crucial point in the season, and as one player put it, "We played our best and could give the glory to God. That's what Praise Performance is all about."

The junior varsity team also pulled together as a team. Under the direction of Coach Joe Tewinkel, the "Meat Squad" developed their basketball skills and in many cases provided needed rest for the varsity players late in the game. Looking back, this year's basketball team was one of the best ever. Looking ahead, it looks like only the beginning.

# CROSS COUNTRY

Todd Burke from Jay, Maine, became the most consistent runner for second consecutive year as the cross country team raced through difficult times.

The young and inexperienced team, without the quality runners of past years, ended the year with a 0-5 record.

Returning runners from last year were Tom Hatch, Kirk Daniell, Tom Milford and Burke.

Newcomers to the Crusaders squad were Judith Glenney, Chris Nelson, Eric Marx, Bob Anderson, Russ Johnson, Steve Miller and Toni Rue.

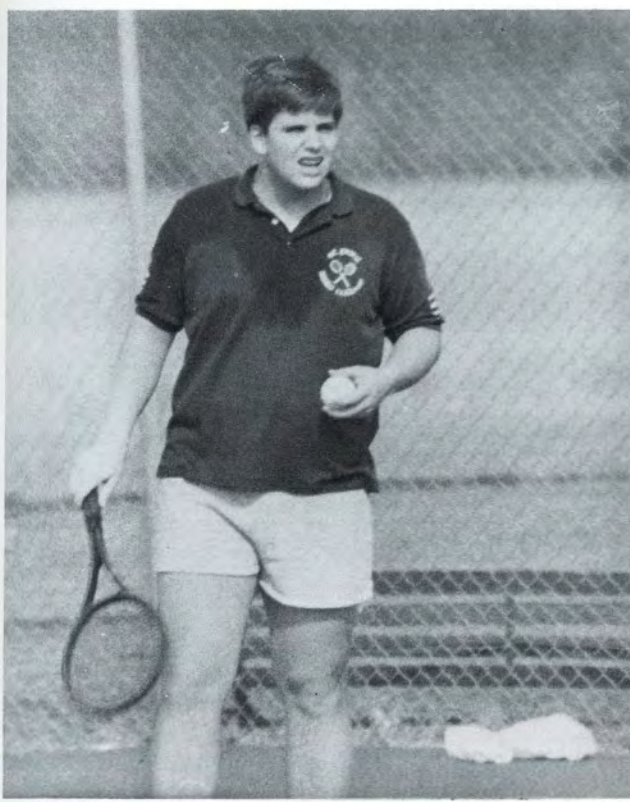

Coach Bill Bedford was satisfied with the individual improvement of the Thinclads in their personal goals and performances.

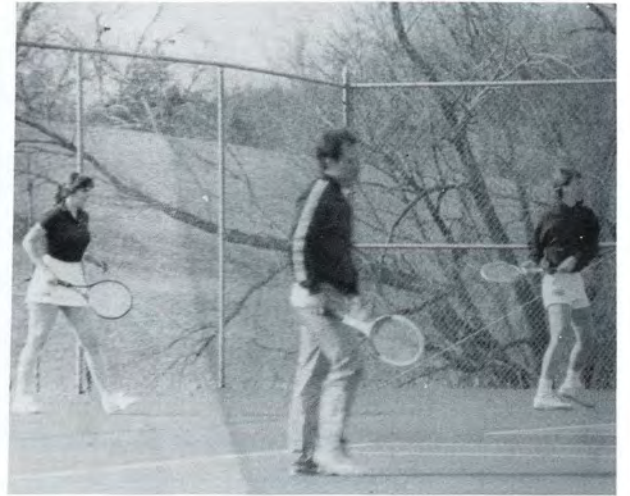

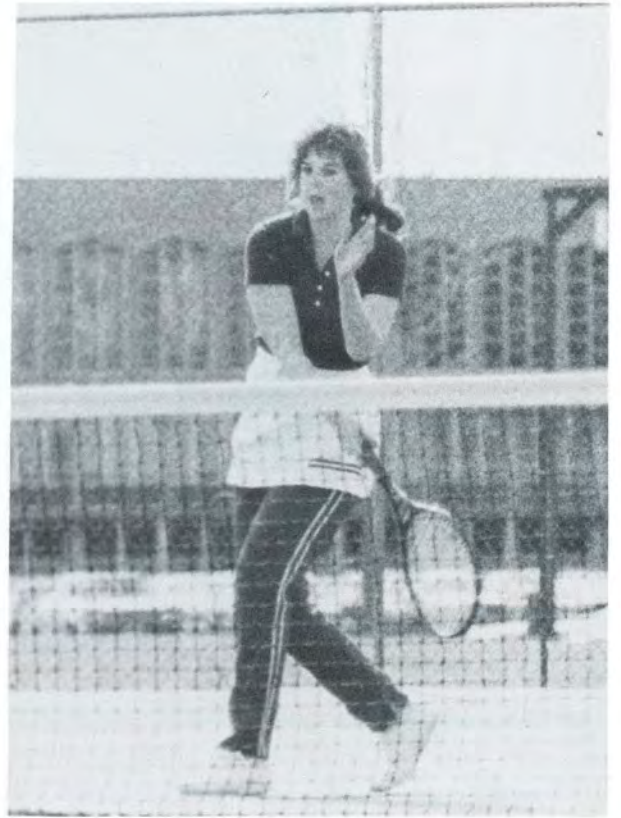

Above: OUR RUNNERS. Standing: Tom Hatch, Judith Glenney, Chris Nelson, Eric Marx, Coach Bedford, Kirk Daniell, Bob Anderson and Russ Johnson. Front row: Tom Milford, Todd Burke and Toni Rue.

# TENNIS

The Women's Volleyball Team experienced a successful year, finishing with a record of 9 - 5 and obtaining second place in the Northern Intercollegiate Christian Conference (NICC).

Coach Janis Runka, saw his pre-season expectations fulfilled as the team recuperated from early injuries to finish with a winning record for the fourth consecutive year.

The Crusaders relied on the deadly spikes of Candace Moats and Karen Fultz as well as the excellent setting game of Sherrie Barker and Ruth Claasen to finish with a record of 6-1 in conference play.

The Crusaders placed second in the NICC Tournament as they lost in the final and decisive game against Faith Bible College from Ankeny, Iowa. The Crusaders who were the incumbent champions until the final game of the season, were dethroned by the aggressive game of the Eagles.

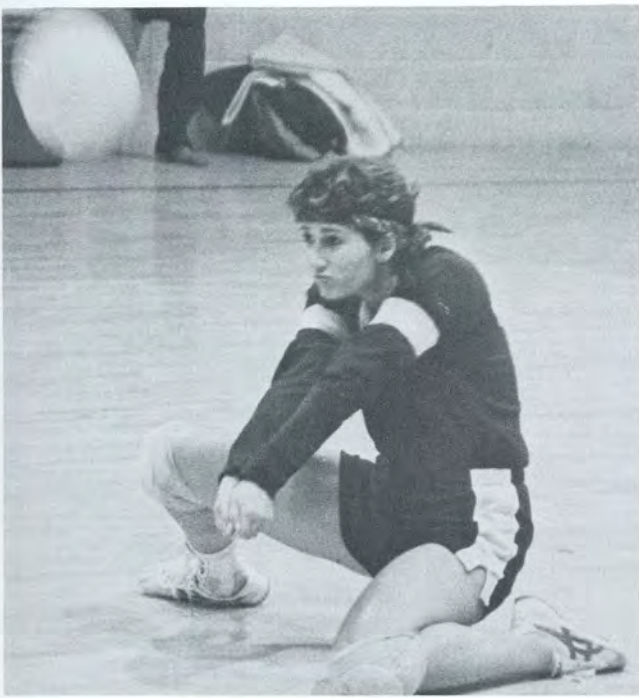

In spite of loosing the Championship, the Crusaders placd two of their starters in the All-Conference Team selected by the coaches of the different teams participating in the tournament. Candace Moats, and Ruth Claasen, playing setter for the first time, were named to the All-Conference Team.

Sherrie's superb sets speed SpeedBee to Victory.

# BASKETBALL

Back row: Coach Hardy, RaeJean Rydberg, Karen Fultz, Candace Moats, Dinah Stieglitz, Dawn Mattox and Renee Young. Front: Cindy Leyh, Ruth Claassen, Wendy Wittstock and Jill Risvold.

The women's basketball team engraved their names indelibly in the annals of SPBC history as the winningest team ever to represent the gold and purple colors.

In order to qualify for the National Tournament, the Crusaders conquered the Northern Intercollegiate Christian Conference (NICC) with an overall record of 7-1 in the conference and won the NICC final tournament with a victory over North Central Bible College from Minneapolis.

The Crusaders also won the Freemont Invitational Tournament played at South Dakota. They defeated Freemont Junior College with a final score of 67-62 to clinch the victory and bring another trophy to enhance the show case at the main Lobby at St. Paul Bible College.

The Lady Crusaders, coached by Don Hardy, became the most successful women's team to represent SPBC in its history. They finished the season with a combined record of 14 - 7, It was only the second year that the team ended their season with a winning record.

By finishing first in their conference and first in the NBCCA Tournament the Crusaders made the 1982-83 a year to remember.

The 1983 women's basketball team completed an exciting season with a 14-7 record. They won the Freemont Invitational Tournament in South Dakota, along with the NICC tournament at Pillsbury. This qualified them to play in the first annual National Bible College Athletic Association Tournament held at Trinity Bible Institute.

Wendy Wittstock was selected MVP and Candace Moats was named All-American.

No special eye of a camera lense was needed to see that the attitude of this year's women's basketball team was different. Whether they were winning or losing, they were giving a total release performance. In every situation they were playing for Jesus Christ, and holding back nothing to achieve their goal of total PRAISE PERFORMANCE.

## CHEERLEADERS

"When you're united in Christ—when you have that unbreakable bond of prayer and fellowship, naturally you're going to work better together . . .", Captain Holly Christopherson.

This was an exciting season for the St. Paul Bible College fighting Crusader cheerleaders. The year was full of activity and excitement—from fundraisers to road trips to pep rallies to competition, there was hardly a break in the action, hardly a chance for a breather (and all-too-few chances to study . . .).

Certainly the most exciting event was winning the conference cheerleading trophy. The Crusaderettes were at a real disadvantage after losing Jr., Buffy Foeks to an injury. A tough Pillsbury squad posed a threat, but the women retained the title they have held for three of the past four years that the competition has been held.

Any of the cheerleaders will tell you that it isn't the trips or the trophies which make the experience a worthwhile one. "It's the fellowship . . . I find I can talk to these girls more freely than almost anyone, and I always looked forward to the devotions held each day before practice. We all realize that without Jesus, our abilities and talents would be wasted. He is the reason for our success, and to Him must go all the glory."

The governing body of the Black Student Committee from left to right, Patricia Johnson, Steve Crymes, and Verna Edwards.

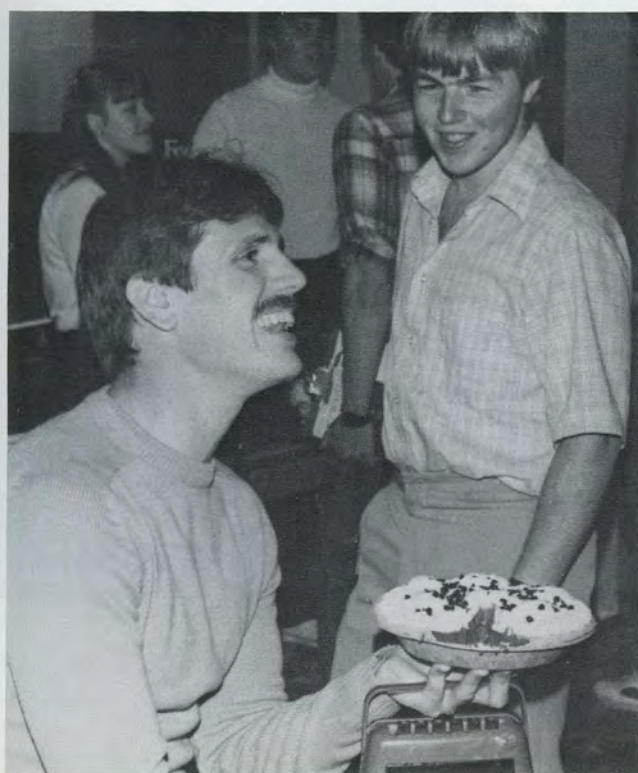

During the basketball season, the SPBC bleachers often ring loudly with enthusiasm. The 1982-83 season boasted the added effects of the pep club and pep band. The pep band consisted of approximately 20 members with leader Brad Trosen keeping the beat.

Often there was hardly room in the bleachers to accommodate the band. But the musicians showed up faithfully and with the help of the cheerleaders kept the awesome crowds under control.
