Resources available through Crown College Library are now linked!

The screenshot shows the Google Scholar interface with the search term "prescription opioid treatment". The results list three articles, each with a link to its full text or a related resource. The first article is from annualreviews.org, the second is from europepmc.org, and the third is from psychiatryonline.org. The interface includes a sidebar with filters for time, relevance, and citations, and a search bar at the top.

MERGE

May the God who gives endurance and encouragement
give you the same attitude of mind toward each other that
Christ Jesus had, so that with one mind and one voice you
may glorify the God and Father of our Lord Jesus Christ.

Romans 15:5-6 (New International Version)
