Options on the side help narrow results

The image shows two filter panels from a search interface. The left panel has two sections: 'Library' and 'Content'. The 'Library' section has two options: 'Libraries Worldwide' (unchecked) and 'Crown College Library' (checked). The 'Content' section has two options: 'Full Text' (checked) and 'Peer Reviewed (15266516)' (unchecked). The right panel has a section titled 'Format' with a sub-header 'Top 6 Formats'. It lists six format options: 'All Formats' (unchecked), 'Article/Chapter (19421685)' (checked), 'Article (18503370)' (unchecked), 'Downloadable article (1154347)' (unchecked), 'Book (203370)' (unchecked), and 'eBook (203370)' (checked). At the bottom of the right panel is a link that says 'Show More'.

Civil War, Spain (1936-1939)

The Spanish Civil War was a prelude to the coming conflict of World War II. The hard ideological differences between the combatants, the heavy loss of life, and the extent of material destruction would mirror that which Europe would experience only a few months after the war's conclusion. The causes...

Civil War, US (1861-1865)

The American Civil War began in April 1861 and ended in April 1865. Those four years transformed American society. Over six hundred thousand men died, and hundreds of thousands more bore the scars of war. The institution of slavery was abolished, and the society built around it was destroyed. The...

CIVIL WAR

From American Economic History: A Dictionary and Chronology

Although historians in general have long seen the Civil War as the pivotal event in U.S. political history, economic historians in particular see the Civil War as a key event in the evolution of the American political economy. In those terms, the federal government assumed a much broader role in...

The screenshot shows the Crown College Library website with a search for 'human resources'. The results list two eBooks. The first result, 'Planning and managing human resources : strategic planning for human resources management' by William J. Rothwell and H.C. Kozlowski, is highlighted. To its right, a detailed 'Additional Information' panel provides metadata for this eBook, including ISBN, OCLC number, subjects, genre, and bibliography. The second result is 'The complete human resources writing guide' by Diane Arthur.
