APC casebook : case work illustrations for general practice candidates

Authors: Austen Imber

eBook 2004

London : EG Books, 2004.

Summary: Following his succesful How to Pass the APC: Essential Advice for General Practice Surveyors, Austen Imber's latest publication examines surveyors' work in practice. The case work is based mainly on examples of APC candidates' critical analysis, and is supported by additional guidance on the key issues arising in practice. In a clear, practical way the book covers the public,

Title

Small Business and the Public Library : Strategies for a Successful Partnership

Description

Aligning with current difficult economic times, this book helps libraries assist users entering or already involved in the small business community. Authors Weiss, Serlis-McPhillips, and Malafi are public librarians who have incorporated small business services within their library. In their book they point the way to addressing the needs of job seekers, and those starting or operating their own businesses, offering Innovative programming ideas Easy to translate suggestions into day-to-day operations Suggestions to helping clients become business literate on the web, on paper, and out in the world of work Whether patrons need resources to start their own business, search for a new job, or locate demographic statistics

Acts : a commentary

Authors: Richard I Pervo (Author), Harold W Attridge (Editor)

Print Book 2009

Minneapolis : Fortress Press, [2009]

Summary: The **Acts** of the Apostles joins the Gospel of Luke with the ministry of Paul. Renowned New Testament scholar Richard I. Pervo shows how this masterful storyteller worked his magic, drawing on first-century literary techniques of narration and characterization. Luke's literary skills did not prevent scribes from re-writing his masterwork; however, the textual tradition of

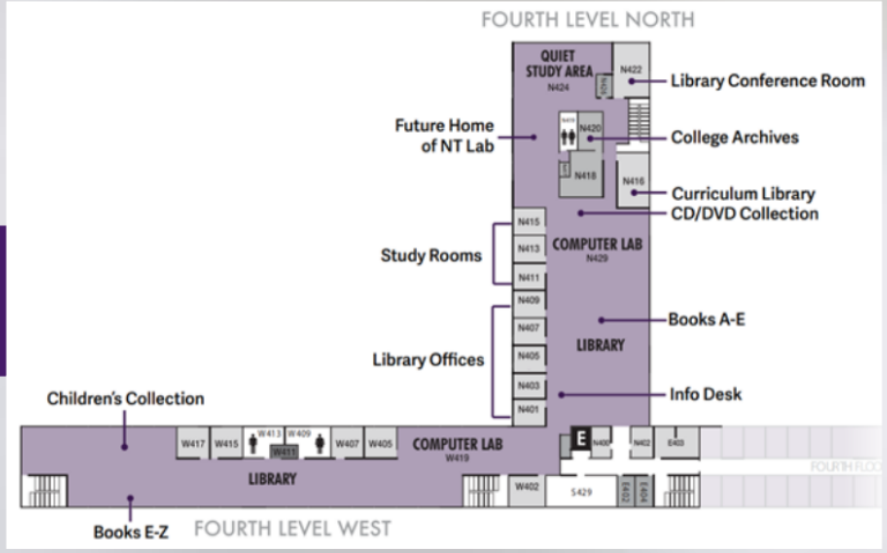
Around the Library

After seeing the collection your books is in, look on the map.

The general collection is split between the north and west wing.

Reserve books and equipment are kept behind the InfoDesk - just ask and we will get you what you need!



Library of Congress Call Numbers

Books are organized by subject, then author, and finally by publication date.

First find the letters.

BS2625.53 .P42 2009

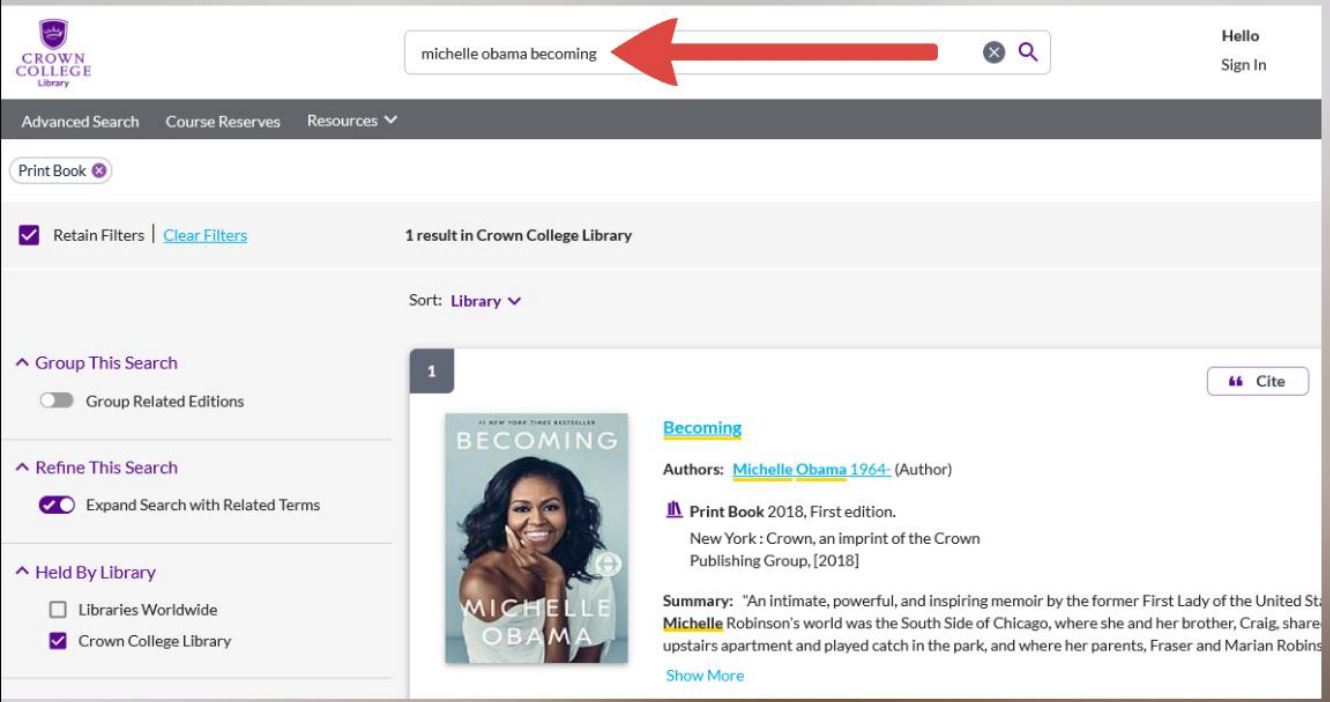
Then find the number.

The next section is usually related to the author's last name and follows the same rules as before

Library of Congress call numbers were designed a to organize millions of books, and can be overwhelming!

We would love to assist you, just ask!

If you have a specific print book in mind, simply search for the title and/or author!

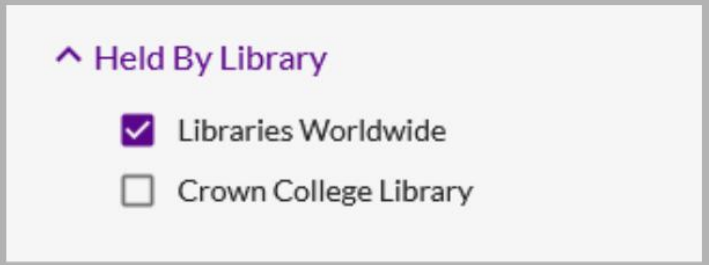


Searching Worldwide

Borrow from another library

Crown InfoSearch has a default setting to search Crown College Library Resources first!

So if the book you are looking for doesn't show up, try searching worldwide!



Crown College Library's resources will still be listed first, so make sure you change the sort order to "Best Match"
